

FOUNDED 1882
ST. TIMOTHY'S
SCHOOL

ST. TIMOTHY'S SCHOOL SUMMER PROGRAMS OFFER exciting and stimulating educational and cultural experiences in an idyllic environment. Students from around the country and around the world come to St. Timothy's to learn, experience new ideas and places, develop strong friendships, and grow as individuals. Sessions are open to boys and girls entering 8th~12th grades. The average class size ranges from 5~15 with a student-to-teacher ratio of 7 to 1. Small classes offer individual attention and allow your child to be part of a community where each student's intellectual curiosity is kindled and new ideas are embraced. Students divide their time between classroom instruction and field trips to Washington, DC, Philadelphia, and New York.

Intensive English Language Program

St. Timothy's School broadens its commitment to global education with opportunities for summer study and cultural enrichment through its Intensive English Language Program.

St. Timothy's School is a nationally recognized boarding and day school offering the prestigious International Baccalaureate (IB) Diploma Program. Our commitment to excellence is further reflected in our four-week ESL summer program for international students. Stressing the academic skills of reading, writing, speaking, and listening, the program also includes a unique, experiential American culture component that exposes students to educational and cultural opportunities throughout Washington, DC, Philadelphia, and New York City.

The summer ESL program provides extensive English development and rewarding cultural immersion experiences in a safe and supportive residential environment. Open to international students who possess a working knowledge of the English language and are able to communicate at basic verbal and written levels, the ESL program features a comprehensive and stimulating curriculum designed to improve communication skills in English speaking, listening, writing, and reading. The program is ideally suited for students who seek the requisite academic and life skills for a successful transition to living abroad at American boarding schools. It is also appropriate for students who already attend U.S. schools and need additional concentrated work, or for those students seeking a rewarding summer of cultural and language immersion.

In addition to strengthening students' practical English skills and helping them to gain an appreciation of United States history and culture, this intensive program will prepare students for the TOEFL exam. Participants will be divided in class according to skill level and core English competencies. Students will spend time in three different instructional classes five mornings a week: Reading, Writing, and Speaking & Listening. Two afternoons a week and all day on Saturday students will spend their time in the American culture class, which will include field trips to important historical and cultural sites. Three afternoons a week students will be involved in afternoon recreation and athletic programs. Sundays will include time for optional shopping trips, excursions to recreational and amusement sites, and other trips that take advantage of the beautiful Maryland countryside.

PROGRAM FEATURES

Competitive admission and limited enrollment at each grade level

Diagnostic testing and placement in appropriate skill level

Extensive preparation for the TOEFL exam

Student-to-faculty ratio of 7:1

Summer 2012

Multiple levels of study in English speaking, listening, writing, and reading

Structured activities beyond the classroom

Diverse student population

Safe and supportive school environment

Cultural and recreational activities

Tuition is \$5,800. This includes all meals, books and materials, local transport, use of campus facilities, housing, class-related trips, and transportation to and from BWI or Dulles Airports.

Central Park, New York

The White House, Washington, DC

College-Preparatory Program

The College-Preparatory Program at St. Tim's is designed to help high school students develop valuable study skills and prepare effectively for the SAT and the college admissions process.

This three-week intensive program will help students gain test-taking confidence, learn successful writing techniques, and improve their mathematics proficiency, all while forming new friendships and touring college campuses.

The program has two major components: 1) *SAT preparation*; and 2) *College visits*. Students will spend three intensive weeks in critical reading, mathematics, and writing classes taught by experienced instructors from Capital Educators®. In addition, students will take multiple diagnostic tests in order to assess their improvement throughout the length of the class. During this time, students also will have the opportunity to visit with admissions officers and tour campuses at the following colleges and universities:

The College of William and Mary; Columbia University; Georgetown University; George Washington University; Johns Hopkins University; Lehigh University; New York University; Princeton University; Swarthmore College; University of Maryland, College Park; The University of Pennsylvania; The University of Virginia

The Capital Educators Summer SAT Prep Course mirrors the renowned program they run throughout the academic year at Georgetown University. During three weeks of intensive study, students are introduced to a wide variety of test-taking techniques, time management strategies, and critical reading methods that are central to mastering the SAT and PSAT. As a result, the course is an excellent fit for rising 10th-, 11th-, and 12th-grade students. The summer session includes 40 hours of classroom instruction as well as full-length diagnostic SATs that are administered under standard, proctored conditions. Students are grouped into seminars of no more than 10, and parents will receive progress reports at the conclusion of the program. As part of the course, students also will be introduced to the ACT's unique format, with particular emphasis placed upon the ACT science section.

The program also includes special presentations by college admissions officers as well as Peter Van Buskirk of *The Admissions Game*. These will provide students with invaluable insight and tools to help them navigate the college admissions process.

SESSION DATES AND COST

Open to students entering grades 10–12

Session dates are July 21–August 11, 2012

Tuition is \$4,800. This includes all meals, books and materials, local transport, use of campus facilities, housing, class-related trips, and transportation to and from BWI or Dulles Airports.

College-Preparatory Program Plus Riding

This residential program follows the same format and structure as the College-Preparatory Program with an additional option for Riding.

Morning riding sessions will take place at the beautiful Hamilton-Ireland Equestrian Center, located on St. Timothy's rolling 145-acre campus. The equestrian facilities include a 24-stall barn with two tack rooms and a wash stall, a 70' by 200' indoor riding arena, a 150' by 280' outdoor sand arena, double-fenced turnout paddocks, four-fenced 10-acre fields with run-in sheds, and endless wooded trails. Students can ride one of the 20 horses owned by St. Timothy's.

SESSION DATES AND COST

Open to students entering grades 10–12

Session dates are July 21–August 11, 2012

Tuition is \$6,000. This includes all meals, books & materials, local transport, use of campus facilities, housing, class-related trips, and transportation to and from BWI and Dulles Airports.
